1 general education courses

2 courses supporting the workshop

3 directional courses for the first year

4 major courses for the second year

5 major courses for the III / IV year

Elective subjects (ECTS): 60 which is 32,43 % of all ECTS.

* selection studios, including studios / laboratories implemented under the project "Academy of Art in Szczecin_PROJEKT CAREER", co-financed by the European Union Measure 3.5 Comprehensive programs of universities of the Knowledge Education Development Operational Program 2014-2020. The names of the laboratories and the indicated limits will be available in the selection limits developed for the given academic year.

* Note: after semester IV, professional internship is obligatory, which should be completed by the end of semester VI, and the plein-air session after the fourth semester. The internship lasts 3 weeks, the student receives 4 ECTS points for it. The outdoor session lasts from 1-3 weeks (depending on the situation, the outdoor session lasts 3 weeks), for which the student receives 2 ECTS points. ECTS points allocated to the subject of internship / open-air training do not count towards the limit of ECTS points that the student must obtain throughout the course of study. Work placement / open-air training is not included in the total amount of study hours.
